SCHEDULING ORDER

On January 28, 2010, I issued an Order granting the request of the Vermont Department of Public Service ("Department") for a one-week extension to file its testimony and exhibits. The Department's testimony and exhibits, along with a proposed revised schedule, were due on January 29, 2010.

On February 1, 2010, the Department proposed that the parties file an update on the status of their discussions on February 19, 2010. The Department indicated that it is authorized by the Town of Readsboro Electric Light Department ("Readsboro Electric"), the only other party to this case, to state that Readsboro Electric supports this request. The Department did not address the deadline for filing its testimony and exhibits. On February 5, 2010, the Department filed a letter to clarify that it has directed its efforts in this docket towards negotiations with Readsboro Electric rather than preparing testimony.

I accept the Department's proposal. The parties are requested to file a status update on February 19, 2009. At that time, the parties should propose a revised schedule for this proceeding including a date for the Department to file its testimony and exhibits.

SO ORDERED.

Dated at Montpelier, Vermont, this 17th day of February, 2010.
